

VILLAGE OF RADIUM HOT SPRINGS

COLUMBARIUM

INFORMATION PACKAGE

February 2019

Village of Radium Hot Springs Columbarium

The Columbarium site is located at 7524 Stations Drive, on a gently sloping site behind the Roman Catholic Canadian Martyr's Church.

The property is owned by the Village of Radium Hot Springs and was subdivided from the Church property for the purpose of creating a non denominational Municipal Columbarium.

Initially, one columbarium containing a total of 60 niches has been sited at the termination of the wheelchair accessible pathway, approximately 90m from the parking lot. Allowance has been made for a second and third Columbaria structure to be installed at a later date, when required for additional niche spaces.

The pathway, first Columbarium and Memorial Wall were constructed during the summer and fall of 2009.

Each of the 60 niches is one cubic foot in size, with depth, width and height dimensions being approximately 12 inches each. The niches can be used for a single interment, or a companion (double) interment. Care must be taken when ordering an urn(s) that the urn(s) will fit into the niche. See the Niche Specification section for specific details.

The Memorial Wall, which is located on the east side of the Columbarium structure has 154 spaces for bronze plaques 5" x 3" in dimension. See the Memorial Plaque Specification section for specific details.

Location of the Columbarium is outlined in red.
Address: 7524 Stations Drive

Purchasing a Niche

Pre Need

There is an opportunity to purchase a niche prior to a person's death. This is accomplished by entering into a Right of Interment contract with the Village. The Right of Interment provides the contract holder a reserved specific niche. The Right of Interment can be for a single or companion niche.

At Need

Following the death of a person, a Right of Interment Contract can be entered into for a specific niche. The Right of Interment can be for a single or companion niche. It is important to note that only the legally Authorized Representative under Section 5 of the Cremation, Interment and Funeral Services Act of BC can authorize the interment of cremated remains. The original Certificate of Cremation is required to accompany the Interment Authorization form.

Niche Faceplate Inscriptions

All niche faceplates are supplied by the Village of Radium Hot Springs, and are made of Dakota Mahogany granite.

All inscription work for the faceplates is handled for the Village by Kootenay Monument Installations. Additional details are presented in the specification section of this information package.

Purchasing a Memorial Wall Space and Plaque

Some people choose not to inter their loved ones ashes in a Columbarium niche, but still want a memory place to visit and remember. A name plaque on the Memorial Wall can provide one with this opportunity. For this purpose, a Memorial Permit and bronze plaque can be purchased. All plaques are ordered through the Village of Radium Hot Springs. Additional details are presented in the specification section of this information package.

Contact

For assistance with any questions regarding the Columbarium or Memorial Wall, please contact the Village office at 250-347-6455, and Village staff will be pleased to help.

Payment Options

Payment for Columbarium and Memorial Wall products and services can be made at the Village office located at 4836 Radium Blvd. by cash, cheque, money order, or debit card.
