Mr. Arne Dohlen
Village of Radium Hot Springs
4836 Radium Boulevard
Radium Hot Springs, BC V0A 1M0

Dear Mr. Dohlen

Thank you again for giving the Columbia River Valley Rural Roots Society the opportunity to present at the Village of Radium Hot Springs Council meeting on Wednesday. Since our request to be the sole tenants of the gym that is attached to the building Parks Canada is leasing is time sensitive, we thought it might help the decision-making process if Council members knew more about the Society and its Rural Roots Early Learning Centre.

The Columbia River Valley Rural Roots Society was formed by five families who were in desperate need of a quality licensed child care option. Instead of waiting for a childcare option to emerge, we hired three educators and opened a licensed infant and toddler centre for nine children in a temporary location in Wilmer, BC. The residents of Wilmer have been incredibly supportive of our child care centre, but they would like the Wilmer Community Hall back when our lease expires on May 31.

The Rural Roots Early Learning Centre currently serves eleven families, four of whom live and/or work in the Village of Radium Hot Springs. The adult-to-child ratio at the centre is one of the best in the Columbia Valley. While many child care centres are struggling to retain staff, the Columbia River Valley Rural Roots Society has been able to increase its team of educators from three to five, in part, because of its multi-age early learning and child care philosophy.

In addition to providing the stability the Rural Roots Early Learning Centre needs to continue to operate, the Village of Radium Hot Springs will have an exemplary child care model that other rural and remote communities will want to emulate. The children and families who attend Rural Roots will reap the benefit of the programs and services the Village of Radium Hot Springs already offers the youngest members of its community (e.g., library, community garden, water park, skating rink) and the educators at the Rural Roots Early Learning Centre can be mentors for individuals interested in early childhood education and related fields of study.

If you have questions about our Society and/or the Rural Roots Early Learning Centre, please feel free to email them to ruralrootssociety@gmail.com. We will ensure we have the answers to your questions on Wednesday, April 13.

Respectfully

Board of Directors
Columbia River Valley Rural Roots Society

March 24, 2022

RE – Rural Roots Early Learning Centre

To the Village of Radium Hot Springs Town Council

I am writing this letter on behalf of myself and my husband, Nathan Eade, in support of Rural Roots early learning Centre's proposal to move its child care facility to Radium Hot Springs. In particular, the old school gym.

I would like to start by saying, "We lucked out". This is what I say to every person who asks where our one-year-old daughter goes to childcare. Rural Roots Early Learning Centre (RRELC) is without a doubt one of, if not the best, childcare facilities in the Columbia Valley. Its day-to-day operations are run by a small staff of smart, caring and experienced childcare educators and governed by a board of hard-working individuals, all of whom are passionate about the well-being of our local children and communities. RRELC focuses strongly on each child's sense of self and self-worth. RRELC encourages a strong connection to discovery, play and the outdoors; slowing down and taking in the world with a sense of wonder.

RRELC is currently based out of the Wilmer Community Hall. The Wilmer Community Hall, although wonderful, is a temporary space while RRELC looks for a permanent space to open its doors. The old Radium school gym would be an ideal location. And RRELC would be respectful, responsible tenants.

My husband and I see great benefit in having a childcare facility in Radium. As you're well aware, Radium is currently flourishing. New businesses are starting up and the population is increasing. New families and starting families have been drawn to Radium because of what it has to offer. But one thing Radium is currently missing is the option for families to enroll their child/children in childcare in the town they live in. By allowing RRELC to operate in Radium, you create this opportunity for families.

Approximately half of the children currently in care at RRELC already live in Radium with their families or have a parent who works in Radium. We are one of those families. In fact, I both live and work in Radium. I currently have to make a special trip in to Wilmer twice a day to drop off and pick up our daughter from childcare. Even if our daughter attended a different childcare facility I would be driving to Invermere, Windermere, Edgewater, etc. because of the lack of childcare facilities here in Radium. Just the idea of being able to drop our daughter off, blocks from our house is beyond exciting.

As clients of RRELC, our experience with them and how they run their facility, I can guarantee they would be a beneficial addition to the community of Radium – as a business, as a tenant and as a neighbour.

Sincerely,

Kelsey Eade and Nathan Eade

Kelsey Eade
Nathan Eade

To whom it may concern,

I'm writing this letter in support of the Rural Roots Early Learning Centre's proposal for a permanent space in Radium Hot Springs, inside the former school's gymnasium.

Currently we have our two-year-old daughter enrolled in Rural Roots and we couldn't be happier with the level of education and attention our daughter receives daily from all the teachers at Rural Roots. Rural Roots Early Learning Centre demonstrates, practices, and prides themselves with the highest quality of childcare possible. They have a wonderful team of educators, and we also love the fact that a board of trustees, the parents of children enrolled in the program, oversee the operations, which means that this board will always have the children as the main priority of the program.

The Village of Radium Hot Springs would give Rural Roots the opportunity to grow and deepen their roots – so to speak- as a highly reputable childcare centre in Radium. The move to the Radium gymnasium would be beneficial not only to the families, educators, and children of Rural Roots Early Learning Centre, but also beneficial to our continuously growing community. Speaking of the benefits for the families, many of the families either work or reside in Radium Hot Springs. I am one of them that both works and lives here.

How amazing would it be to go for a walk to the community gardens and see the children playing in the back grass areas, or see them down at the water park, or inside the library for a reading group. These few things sound like amazing opportunities for these children, and I would very much like to see Radium support this transition.

We moved to the Columbia Valley a few years ago for a job opportunity not knowing what to expect as we've never visited the east Kootenays before. We are very happy that we took this opportunity, and we are very proud to call Radium Hot Springs home for the foreseeable future. Since our arrival here we have watched the population almost double along with both the commercial and residential growth to coincide with it.

Early childhood care is in huge demand everywhere but especially in small communities. When our family made the transition to Radium, we were told that the wait lists are so full that they are 2 – 5 years long. We are currently still on these wait lists, and we have yet to receive a call for an opening for our daughter. We are very thankful for the opportunity for our child to be a part of the amazing Rural Roots Early Learning Centre.

We fully support this wonderful program making its home in Radium Hot Springs and believe it would be an asset to the community and surrounding areas.

Thank you for your time,
Chance Liebrecht

Dear Mayor and Council,

I am writing in regard to the non-profit Rural Roots Early Learning Centre and their interest in renting the school gym long term. The Centre currently occupies the Wilmer Community Hall but must vacate the premises by May 31st.

A quick note on why Rural Roots is an exceptional program, is their focus on local cultures and traditions, the family-led and community-based model, as well as being a demonstration school for entry level early childhood educators. Location aside, this daycare is a first choice for many, including Radium residents.

Radium would be an ideal location for Rural Roots. As you know we currently do not have a daycare in town and the next closest is Edgewater. Edgewater is at full capacity with nearly a 2 year wait list as it is the only one in their community. Next is Invermere, where all 3 are at capacity with wait lists up to 2 years as well. The benefits to the community, especially the families within the community, either working or living, will be widespread. The opportunity to reduce or eliminate a commute for childcare is major. And on the flip side, any families driving to Radium from the surrounding areas will then also become more involved with the community as they learn about the Library, Splash Park, Pump Park, Sinclair Creek, and Rink for example.

The school gym specifically is an amazing location. It is a quiet and safe location with a playing field and garden as a bonus. They would also have the Library, Rink, Splash Park, Sinclair Creek, and Playground within a short walking distance. The list of benefits for the daycare is easy to see.

I am also writing this letter from a very personal perspective. As a 5-year employee of the Village of Radium, with hopes to move to town soon, this move would be best case scenario for Ava and myself. She has been going to Rural Roots since October and couldn't be happier. I can't get her coat off fast enough in the mornings so she can run to Kathy for a snuggle to start her day. I am very grateful for the all the staff and board members involved. We treasure our spot in this program.

Thank you very much for considering Rural Root's request to become a long-term tenant to the Radium Gym.

Emily Mitchell

CONSTITUTION

BC Society • Societies Act

NAME OF SOCIETY: **COLUMBIA RIVER VALLEY RURAL ROOTS SOCIETY**

Incorporation Number: S0075090

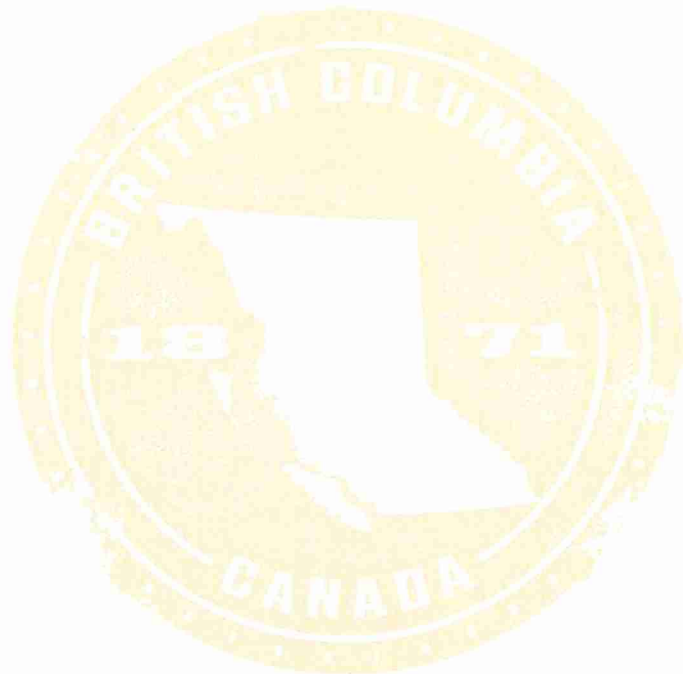

Business Number: 79059 5508 BC0001

Filed Date and Time: June 30, 2021 10:13 AM Pacific Time

The name of the Society is COLUMBIA RIVER VALLEY RURAL ROOTS SOCIETY

The purposes of the Society are:

1. To address the immediate need for quality licensed infant and toddler care within the Columbia River Valley..
2. To form and operate a licensed early years program that is also a demonstration school for the Rural Communities Early Childhood Institute.
3. To develop pillars of professional practice that are grounded in early childhood research that guide the Society and the demonstration school's professional practice.
4. To mentor early childhood educators who are committed to transformative reconciliatory practice within the traditional territories of the Ktunaxa Nation, the Secwepemc Nation, and the chosen homelands of the Métis.
5. To set a new standard of practice for child care in British Columbia that decolonizes, deinstitutionalizes, and decommercializes children's lived experiences.

Administrative memo to Council

February 18, 2022

OCP Amendment Bylaw 474, Zoning Amendment Bylaw 475, 2022

Catherine Kammann, acting as agent for the owners of the property George and Debra Murray, has made this application for amendments to the OCP and Zoning bylaw on a property located at Prospector Ave and Radium Valley Road. Ms. Kammann wishes to amend the OCP from Recreational Vehicle to Multi Family Residential, and to amend the Zoning Bylaw from C4 Recreation Vehicle Park to C3 Tourist Recreation Commercial. This site contains the old sales office for RVVR which has been vacant for years. The plan for this site is to demolish the existing structure and build a recreation centre with a bouldering gym, virtual golf, kids play area and licensed café. It is also proposed to lease out a portion of the building to Radium Brewery to expand their brewing area. No tasting or tap room is planned.

An OCP and Zoning Amendment requires notices in 2 consecutive weeks in the local paper, notification of landowners within 100m of the property and a Public Hearing. As this property is located within 800m of a controlled highway, MOTI approval is also required for the proposed zoning amendment. The earliest a Public Hearing can be scheduled is May 11, 2022, which is a regular Council Meeting. It is suggested that the Public Hearing could be scheduled for 7PM May 11, 2022.

Respectfully submitted

Arne Dohlen

VILLAGE OF RADIUM HOT SPRINGS

BYLAW NO. 474, 2022

Being a bylaw to amend the Official Community Plan Bylaw.

WHEREAS Section 471, and 472 of the *Local Government Act* provide that municipalities may adopt Official Community Plans so as to guide decisions on planning and land use management, and;

WHEREAS Section 460 provides that these guidelines may be amended;

NOW THEREFORE the Council of the Village of Radium Hot Springs in open meeting assembled *enacts* as follows:

1. That the Planned Land Use Map 'Schedule A' of the Village of Radium Hot Springs Official Community Plan Bylaw No. 396, 2013 be amended by changing the land use designation on the following property shown outlined in heavy black on Schedule "A" attached to and forming part of this bylaw from:
 - a. Lot A, Plan NEP14585, DL 272, Kootenay District, except Plan N50 & DL 486 & EXC Plans NEP17656, NEP18076, NEP77300, NEP77982 & NEP88542
 - b. Civic address: 7254 Radium Valley Road
 - c. from "**Recreational Vehicle to Multiple Family Residential**"
2. This Bylaw may be cited as "Official Community Plan Amendment Bylaw No. 474, 2022"

READ A FIRST AND SECOND TIME THIS _____ DAY OF _____, 2022.

PUBLIC HEARING HELD THIS _____ DAY OF _____, 2022.

READ A THIRD TIME THIS _____ DAY OF _____, 2022.

Date

Schedule A – Bylaw 474, 2022

VILLAGE OF RADIUM HOT SPRINGS

BYLAW 475, 2022.

Being a bylaw to amend the zoning bylaw.

WHEREAS Section 479 of the *Local Government Act* provides that a local government may, by bylaw, divide the whole or part of the municipality into zones; regulate the use of land, building and structures within a zone; regulate the siting, size and dimensions of buildings; regulate the location of uses on the land and within buildings and structures; and that the regulations may be different for different uses within a zone;

AND WHEREAS the Council deems it desirable to amend the zoning bylaw, cited as "Village of Radium Hot Springs Zoning Bylaw No. 338, 2007" to change the following listed lands from **C4 – Recreation Vehicle Park** to **C3 - Tourist Recreation Commercial** and add a permitted use to this specific property of **Nano Brewery**.

Lot A, Plan NEP14585, DL 272, Kootenay District, except Plan N50 & DL 486 & EXC Plans
NEP17656, NEP18076, NEP77300, NEP77982 & NEP88542

PID 008-776-971

NOW THEREFORE the Council of the Village of Radium Hot Springs in open meeting assembled *enacts* that the Village of Radium Hot Springs Zoning Bylaw No. 338, 2007 is hereby amended as follows:

That Schedule "B", Official Zoning Map referenced to in section 5.2 of the Village of Radium Hot Springs Zoning Bylaw No. 338, 2007 is hereby amended with the zoning area changes shown on Schedule "A" attached to and forming part of this bylaw.

This amendment amends the zoning for:

Lot A, Plan NEP14585, DL 272, Kootenay District, except Plan N50 & DL 486 & EXC Plans
NEP17656, NEP18076, NEP77300, NEP77982 & NEP88542

- o from **C4 – Recreation Vehicle Park** to **C3 – Tourist Recreation Commercial** and;
- o that Section 6.7.1. is amended with the addition of Permitted Use: **Nano Brewery**.

This Bylaw may be cited as "Zoning Amendment Bylaw No. 475, 2022".

This bylaw shall come into full force and effect upon passage.

READ A FIRST AND SECOND TIME THIS ____ DAY OF _____, 2022.

Memo

To: Mayor and Council
From: Karen Sharp, CFO
Date: April 13, 2022
Re: Five-year Financial Plan and Tax Rate Bylaws

Attached is the 2022-2026 Financial Plan and the 2022 Tax Rate bylaws.

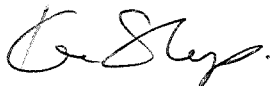

Operational items of note:

- Adrian Bergles, new CAO, started April 1st
- Bruce Zwiers, Superintendent of Public works, has given notice of retirement effective at the end of April.
- Discussions of adding up to 5 new staff as follows. 2 new to public works, 1 new front-end assistant, new building inspector/planner, and a parks/recreation position.
- Focus on advancing our asset management, expanding our bylaw enforcement to include animal services, restarting Adventure Radium kids summer program, Sinclair trail maintenance, facility maintenance, and general municipal upkeep.
- Above operational changes require a 5% tax increase.
- To fund the Water Services, the Frontage tax rate has been increased by \$0.36/ft from \$3.85 to \$4.21. This is the first time this rate has changed since 2003.

Capital items of note:

- Front end staff vehicle replacement
- New fire truck on order to arrive this year or next
- Finishing of Public Works Garage
- New sidewalk lighting on Hwy 93 and a north entrance sign
- Building at minimum an additional 60 niche Columbarium
- Paving roads and sidewalk accessibility ramps
- Water intake line replacement, water line extensions and sub-division connections, sedimentation pond valve, and water filtration train improvements
- Replacement of sewer membrane bioreactor beads, and purchase of new sewer snake

Respectfully submitted,

Karen Sharp, CFO

VILLAGE OF RADIUM HOT SPRINGS

BYLAW NO. 476, 2022.

Being a bylaw respecting the Financial Plan for the years 2022 - 2026.

WHEREAS Section 165 of the Community Charter provides that a municipality must adopt a Financial Plan before the annual property tax bylaw is adopted.

NOW THEREFORE the Council of the Village of Radium Hot Springs, in open meeting assembled *enacts*, as follows:

1. That Schedule “A” attached hereto and made part of this bylaw is hereby declared to be the Five-Year Financial Plan of the Village of Radium Hot Springs for the year ending December 31, 2026, and;
2. That Schedule “B” attached hereto and made part of this bylaw is hereby declared to be the Financial Plan Policy Statements of the Village of Radium Hot Springs for the year ending December 31, 2022, and;
3. That the Financial Plan comes into effect on January 1, 2022, and;
4. That this bylaw may be cited as “Financial Plan Bylaw No. 476, 2022”.
5. *Village of Radium Hot Springs 2021 – 2025 Financial Plan Bylaw 462, 2021* and any amendments thereto, are hereby repealed in their entirety.

READ A FIRST, SECOND AND THIRD TIME THIS _____ DAY OF APRIL, 2022.

RECONSIDERED AND ADOPTED THIS _____ DAY OF APRIL, 2022.

VILLAGE OF RADIUM HOT SPRINGS
FINANCIAL PLAN POLICY STATEMENTS 2022

The Community Charter requires that municipalities provide explicit policy and objective statements as part of the financial plan that relate specifically to the proportions of revenue proposed to come from the various funding sources, the distribution of property taxes among property classes, and the use of permissive tax exemptions.

- 1. It is the objective of Council to operate an efficient and self-sufficient municipality while maintaining a well-serviced, safe, and livable community. Our focus is providing for maximum efficiency with minimal taxation, while also making provision for future infrastructure and service needs.
- 2. With respect to the proportions of revenue proposed to come from the various funding sources the following applies:
 - (a) The assessed values for the residential and commercial tax classes saw a market change of 23% and 13% respectively. Major Industry saw a market decrease of -2.09%. There will be a 5% additional tax increase added to the rates to raise revenue for the overall general operational costs and funding the new capital, fire department and road reserves. Additional revenues will also come from the new construction of the prior year.
 - (b) The revenue from water and sewer parcel taxes will primarily be used to finance existing capital debt, new capital projects, operations, and to maintain or build reserves for future purposes.
 - (c) The Village supports an approach based on fee for service and supports provincial regulation that ties fees to the actual cost of providing a service. For this reason, demand for services largely dictates projected fee revenues.
 - (d) Revenue from other services is largely dependent on grants and transfers from senior governments. The municipality will pursue such funding whenever the programs advance municipal goals. We will support provincial objectives, often attached as funding conditions, in any way that compliments or advances municipal policy or direction.
 - (e) The municipality will borrow when necessary, to achieve our objectives, while being cognizant of the additional costs imposed by borrowing, and of how these costs get transferred to the future users of infrastructure financed through borrowing.

Table one: proportions of total revenue (operating)

Revenue Source	% Total Revenue
Property value taxes	14%
Parcel taxes	7%
User fees and charges	8%
Proceeds from borrowing	0%
Other sources	52%
Reserves & Surplus	19%
TOTAL	100%

SCHEDULE “B” TO BYLAW NO. 476, 2022.

VILLAGE OF RADIUM HOT SPRINGS
FINANCIAL PLAN POLICY STATEMENTS 2022

3. With respect to the distribution of taxes among property classes:

Council is satisfied that the existing tax distribution equitably shares the tax burden amongst classes in relation to the services used, while considering the classes of property that have revenue producing potential. The following table represents the gross tax revenue by sector, not the relationship between tax rates.

Table two: distribution of property tax revenue

Property class	% Property Value Tax
Residential (1)	67.88%
Utilities (2)	1.03%
Major Industry (4)	12.03%
Business (6)	16.44%
Managed Forest (7)	0.01%
Rec/Non-Profit (8)	2.57%
TOTAL	100.00%

4. With respect to permissive tax exemptions:
- (a) Council will consider the merits of each tax exemption application on a case-by-case basis.

VILLAGE OF RADIUM HOT SPRINGS

BYLAW NO. 477, 2022.

Being a bylaw to levy rates for Municipal, Hospital, and
Regional District purposes for the year 2022.

The Council of the Village of Radium Hot Springs, in open meeting assembled, *enacts*, as follows:

1. That the following rates are hereby imposed and levied for the year 2022:
 - (a) For all lawful general purposes of the municipality on the value of land and improvements taxable for general municipal purposes, rates appearing in column "A" of Schedule "A" attached hereto and forming part of this bylaw.
 - (b) For hospital purposes on the value of land and improvements taxable for Regional Hospital District purposes, rates appearing in column "B" of Schedule "A" attached hereto and forming part of this bylaw.
 - (c) For purposes of the Regional District of East Kootenay on the value of land and improvements taxable for Regional District purposes, rates appearing in column "C" of Schedule "A" attached hereto and forming part of this bylaw.
2. The minimum amount of taxation upon a parcel of real property shall be One Dollar (\$1.00).
3. This bylaw may be cited as the "Tax Rates Bylaw No. 477, 2022".
4. This bylaw shall come into full force and effect upon the date of final passage.
5. *Village of Radium Hot Springs 2021 Tax Rates Bylaw 463, 2021* and any amendments thereto, are hereby repealed in their entirety.

Read a FIRST, SECOND AND THIRD time this _____ day of APRIL, 2022.

RECONSIDERED AND ADOPTED THIS _____ DAY OF APRIL, 2022.

Mayor Clara Reinhardt

Corporate Officer Adrian Bergles

Administrative memo to Council
April 7, 2022

Development Permit 166: Stanley Ave

The proponent is applying for a Development Permit to create a 10 lot subdivision on the parcel located at 4883 Stanley St. This parcel was subject to a re-zoning in March 2022 which created a C2 Pedestrian Commercial/Residential zone

The proposed development would create a 10 lot fee simple subdivision on which 2 five-plex Rowhouses will be constructed.

Parking requirements are met with 2 parking spaces per lot for a total of 20 spaces located in 2 car garages at the rear of the property.

This development proposal requests a variance to the zoning and subdivision servicing bylaw.

- Underground power and utility connections. The variance requested is to permit 2 power and utility drops to the property from overhead lines at the south property line and east property line.

Offsite servicing will include the curb gutter and sidewalk along Stanley Ave for the length of the property and an upgrade of the water main to 150mm in the laneway.

Respectfully submitted
Arne Dohlen

VILLAGE OF RADIUM HOT SPRINGS

DEVELOPMENT PERMIT NO. 166, 2022.

1. Pursuant to section 490 of the *Local Government Act*, the Council of the Village of Radium Hot Springs has, by resolution, issued a Development Permit to:

TRC Projects Ltd.,
540 Willow Brook Drive SE
Calgary, AB
T2J 1N7 (the "Permittee")

This Development Permit is issued subject to compliance with all of the bylaws of the Village of Radium Hot Springs applicable thereto, except as specifically varied or supplemented by this Permit and it applies only to those lands owned by the Permittee within the Village of Radium Hot Springs and currently legally described as:

Lots 6, 7, 8, 9, Block 3, Plan 2606. DL 2580, Kootenay District
PID #009-713-085

2. This Development Permit is issued for the creation of a ten (10) lot, fee simple subdivision. The proposed lot plan drawn by Berry Architecture , dated March 31, 22 is attached. 8 lots are 5.48m (18.0 ft) wide, 2 lots are 6.99m (22.92 ft) wide and 2 lots are 7.04m (23.08 ft) wide.
3. The proposed development will create two five-plex rowhouses The general form and character of each building shall be in accordance with drawings A0.0 to A3.3, dated March 31, 2022, drawn by Berry Architecture attached to and forming part of this permit. Colour scheme shall follow colour board examples attached to and forming part of this permit
4. Parking requirements have been met with a total of 20 parking spaces provided. Each dwelling unit has a separate 2 car garage located off the laneway at the rear of the property.
5. The applicant has requested, and is hereby granted relief from the following Zoning and Subdivision Servicing Bylaw requirements:
 - i. Underground power and utility connections:
 - a Two power drops are permitted for this development.
6. Offsite servicing shall meet the standards of the Subdivision and Development Servicing Bylaw No. 169, 1997 and subsequent amendments, and shall consist of:
 - a. Sewer connections to the 150mm line located at the north-south laneway adjacent to the east boundary of the property and/or connections to the 200mm line located on the south side of Stanley St.
 - b. Upgrade of water line to 150mm water main in the laneway to the north of the property.
 - c. Ten water service connections to the new 150mm water main in the laneway to the north of the property.
 - d. Curb, gutter and sidewalk fronting the property on Stanley St.

Engineering for offsite servicing shall receive an independent engineering review, at the proponent's cost.

- 7. Water, sewer and drainage engineering onsite shall meet the standards of Subdivision and Development Servicing Bylaw No. 169, 1997 and subsequent amendments and shall be subject to an independent engineering review, at the proponent’s cost. All storm water drainage shall be contained onsite, as per Village requirements. Power, cable and telephone services shall be located underground unless otherwise varied under this Development Permit.
- 8. As per Section 510 (5) of the *Local Government Act*, a cash-in-lieu of parkland dedication, in the amount of \$13,150.00 and representing 5% of the 2022 BC Assessment valuation of the land, shall be submitted to the Village for deposit in a Parkland Acquisition fund prior to approval of the subdivision.
- 9. The said lands shall be developed generally in accordance with the terms and conditions and provisions of this Permit and any plans and specifications attached to this Permit shall form a part hereof. In the event of a conflict, the provisions of this Permit prevail over any provisions of Zoning Bylaw No. 338, 2007.
- 10. This development is subject to Development Cost Charges in the amounts of:
 - a. Townhouse : \$2667.53 Water, \$1439.62 Sewer (per dwelling unit)Development Cost Charges are due at time of Building Permit issue.
- 11. If the Permittee does not commence the development permitted by this Permit within 24 months of the date of this Permit, the permit shall lapse.
- 12. This permit is not a building permit or a subdivision approval. Construction may not commence until this subdivision has received Preliminary Layout Approval and required securities received. This permit, or the contents herein, shall not prejudice the Approving Officer in the performance of his duties.
- 13. The Village of Radium Hot Springs agrees to file a notice of permit in the Land Title Office that the said lands are subject to this Permit.

AUTHORIZING RESOLUTION PASSED BY COUNCIL THIS _____ DAY OF _____, 2022.

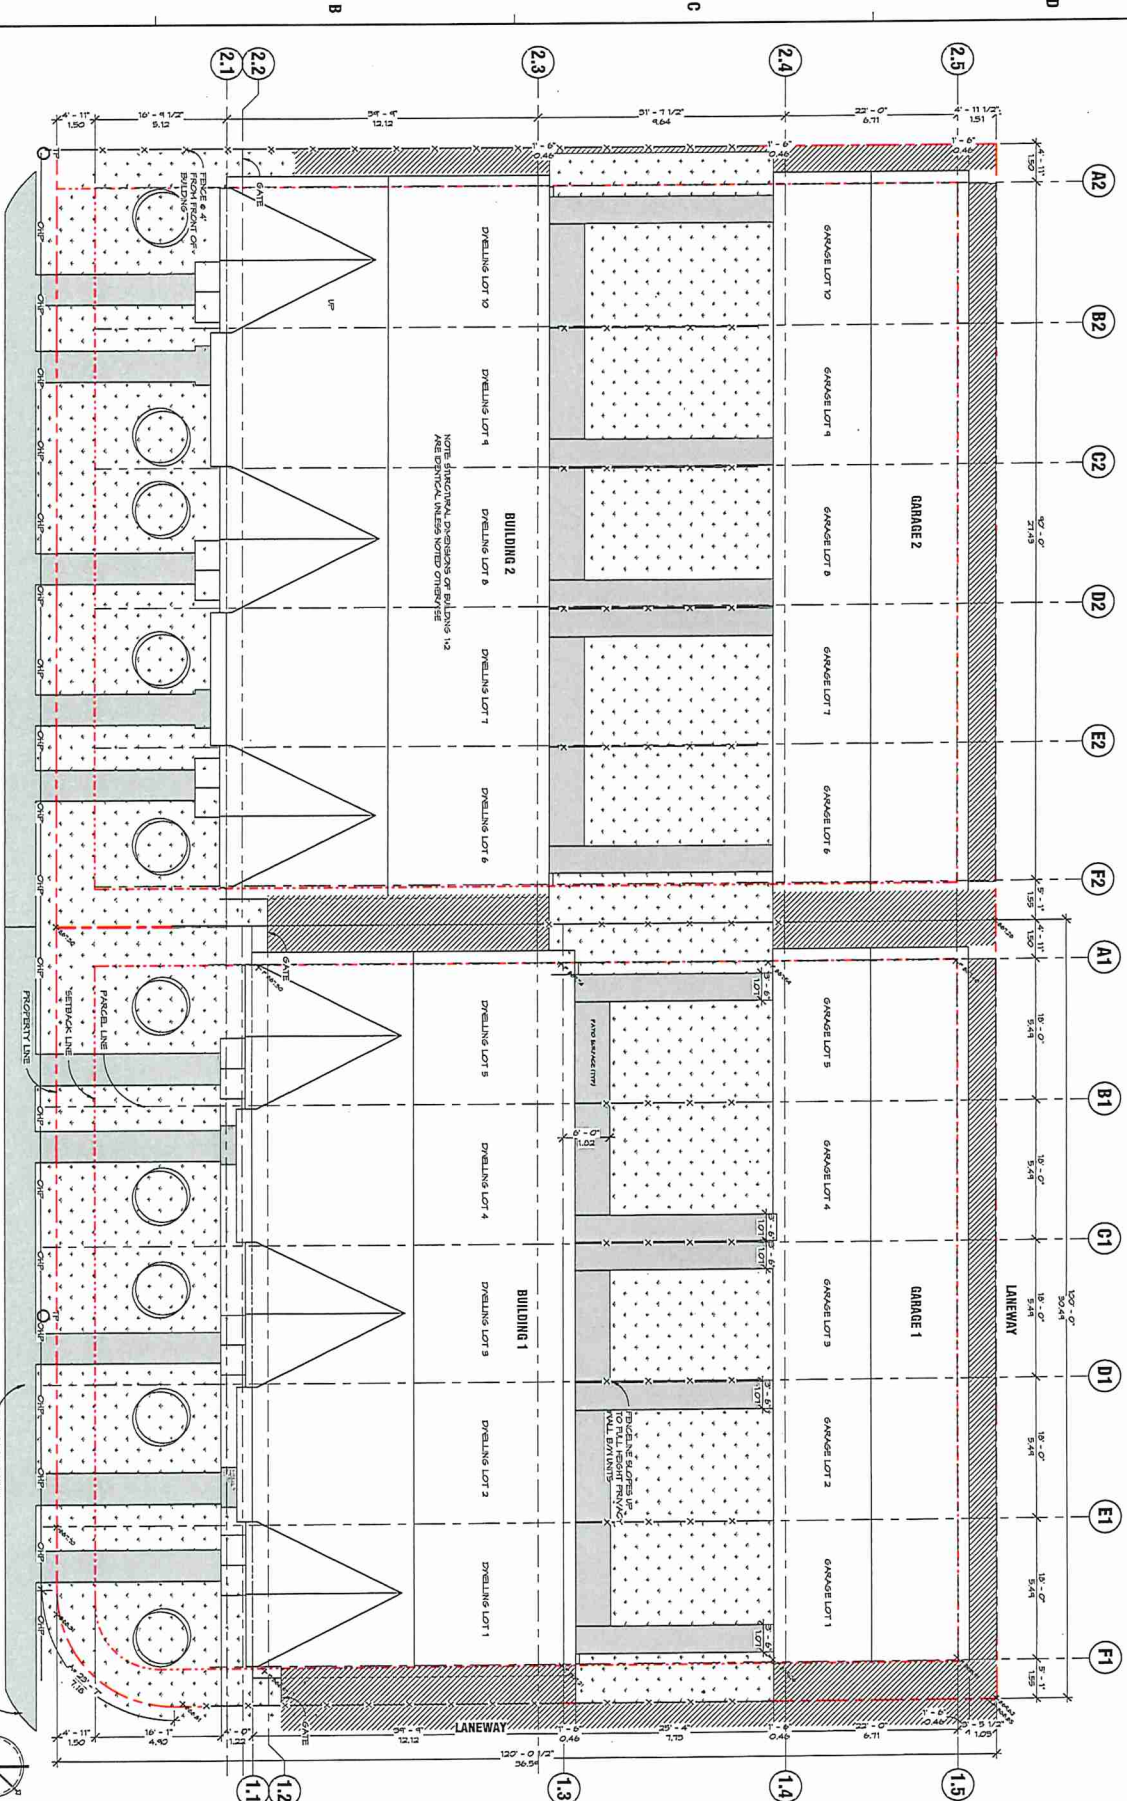

PERMIT ISSUED THIS _____ DAY OF _____, 2022.

Chief Administrative Officer

Memo

To: Mayor and Council
From: Karen Sharp, CFO
Date: April 13, 2022
Re: RMI Funding for 2022/23 – 2024/25

Staff have been advised that the Resort Municipality Funding (RMI) of \$283,470 for the fiscal year of 2022/23 will be forthcoming from the Ministry of Tourism, Arts, Culture and Sport.

This funding is based on a funding formula that was established in the fiscal year 2020/21. The three components are:

1. A fixed base (3-year average -2019-2021) of \$168,430
2. A minimum of \$100,000 in base funding each year
3. Adjusted to stay within \$13 million annual budget

Our next course of action is to provide the Ministry with a *DRAFT* Resort Development Strategy (RDS) by April 30th, with the understanding that there will be some individual community flexibility in this due date.

We will be seeking input for the RDS from the residents, businesses, and First Nations.

Respectfully submitted,

Karen Sharp, CFO

FINANCIAL & IN-KIND ASSISTANCE APPLICATION for 2022
GRANTS IN AID
RADIUM HOT SPRINGS

IDENTIFICATION:

Name of Organization: Hospice Society of the Columbia Valley		
Contact Person: Michele Neider	Cell Phone #: 250-688-1143	Business Phone #: 778-526-5143
Mailing Address: PO Box 925, Invermere, BC V0A 1K0		

ORGANIZATION INFORMATION:

Organization's Vision: Hospice is an oasis where no one dies or grieves alone
Organization Goals, Objectives, and Activities:

1. **Organization Goals:** The purpose of the Society is:

- a) To promote health by relieving conditions associated with end of life and bereavement process in the 14 communities of the Valley in the form of home and/or hospital visitation to those diagnosed with a terminal illness.
- b) Providing visitation program and bereavement services conducted by provincially mandated hospice volunteers.
- c) To provide Anticipatory Grief support to families, friends, and caregivers
- d) To provide grief support and education to children and youth in the School District #6
- e) To assist people with funeral services as needed
- f) To advance education by providing provincially mandated hospice Visitor training and bereavement training to volunteers.
- g) To advance education by providing presentations on palliative care, grief, and bereavement to the public and health care professionals.
- h) To undertake activities ancillary and incidental to the above-mentioned charitable purposes.

Organization Objectives: Hospice Society of the Columbia Valley exists to assist individuals and families in recognizing and accepting death as a part of life. We support individuals and families during the dying and grieving process. The purpose of the Society is to offer compassionate care for:

- 1. individuals facing life-threatening illness, terminal illness, or bereavement.
- 2. their family and friends
- 3. their caregivers
- 4. Children and Youth

Hospice is a holistic form of palliative care which aims to make the last months of life comfortable and peaceful for patients, their families, and their caregivers. Hospice improves quality of life, not only for patients, but also for their family and friends. The patient, family, medical representatives, social workers, and caregivers are considered an integral team.

Hospice is not a place; it is a concept. The focus is on caring, not curing, on life, not death. Quality of life, family wellness, community involvement and personal dignity are all part of hospice care's compassion and progressive vision.

<p>Service Provided to the Community:</p> <ul style="list-style-type: none"> • For community members who have been diagnosed with a terminal illness we provide visitation with trained volunteers who are there to support, listen, assist with the transitional process that the client is going through in any way our volunteers can. • We support family members who are going through a process of letting go and grieving. • We provide anticipatory grief support to family members and friends. • We support close friends of the client as they go through the letting go and grieving process. • We give community members the opportunity to volunteer and assist their neighbors by offering extensive training and support as they take the steps to become hospice end-of-life volunteer visitors, bereavement visitors and walk and talk facilitators so that they can work in the community that they live in. <p>We promote wellness in the community by educating the community on the dying and grieving processes.</p>

GRANT REQUEST

Type of Grant – check one only <input type="checkbox"/> X Community Service Operating Grant <input type="checkbox"/> Capital Works <input type="checkbox"/> Local Special Events <input type="checkbox"/> Out of town Event	
Amount of Grant Request \$1500.	Purpose of Grant and Proposed Allocation of Funds: Costs for the Hospice Society including but not limited to: <ul style="list-style-type: none"> • Program costs associated with Zoom meetings with volunteers and clients for Radium Hot Springs • Advertising costs associated with communicating with local user groups and the public about hospice services and programs. • Program costs associated with Training of Radium Hot Springs, Anticipatory, Rainbows for Children, End of Life Visitor and Bereavement Volunteers. In 2021 we continued to utilize Zoom and other social media and re-started face-to-face support. • Program costs associated with End-of-Life Visitation Program to Radium Hot Springs Clients (i.e., mileage for intake meeting...) and utilizing Social Media means to connect with clients. • Program costs associated with Visitation and Group Support Bereavement programs for Radium Hot Springs residents (same as above) • Program costs associated with Visitation Anticipatory grief program. • Program costs associated with Children and Youth Grief Support • Volunteer Appreciation for Radium Hot Springs • Cost for Tree of Lights event and other events
In-Kind Services (please include description) 11 volunteers for one-on-one support for 3 hours' time (\$4,145) 10 volunteers Tree of Lights for 15 hours' time (total value= \$3000) 10 volunteers for Hike for Hospice, administrative work, and board associated commitments (300 hours x \$20/hr. = \$6000) 2 volunteers to distribute brochures throughout Radium, Edgewater, Brisco (2X10 hours x 20 = \$400)	The Hospice advertises and promotes programs and services through newspaper (pioneer), Valley Peak, website, Facebook, brochures, distributing posters throughout town, and word of mouth. We acknowledge our sponsors/funders in all our special events.
Total value: \$13,545	

<p>Expected Benefits to the Community</p> <ul style="list-style-type: none">• Community spirit for local volunteers• Assisting local families in need• Training resource for community members• Wellness support for the aging demographic of the community• Information Sessions for those interested in learning more about grief and bereavement• Bereavement Support Groups designed specifically for and delivered to Radium Hot Springs• Brochures that can be included in your information packets for newcomers and those considering a move to Radium Hot Springs (often it is the “sandwich generation” that considers such moves, they will be comforted to know, if necessary, their aging parents have a place to go when the time comes.)• Healthy Children and Youth by providing support to those experiencing grief• Healthy families and friends by providing support to those experiencing anticipatory grief	<p>Degree of Other Community Support or sponsorship Due to COVID in 2021 all special events such as the Gala, Barn Dance and Fashion Show were cancelled which represents a loss of about \$50,000.</p> <p>However, the Hospice held the Hospice Swims the Lake in July 2021 and was able to raise \$21,000 through ticket sales.</p> <p>Hike for Hospice: \$2,800. Tree of Lights events: \$3,000. District of Invermere \$5,000. Canal Flats \$800.00. RDEK Area F & G \$6,250. Interior Health \$5,800 Village of Radium Hot Springs \$1,500. Columbia Valley Community Foundation Grant \$2,500 BC Gaming Grant \$36,000 CBT Social Grant and Community Initiatives \$13,500 McPherson Funeral Services and Invermere Health Care Auxiliary; Sponsors \$ 4,500.</p> <p>Please note that this budget represents 2021-2022. Our fiscal year is from April 1 to March 31st. As a result, most of that money has already been spent towards training, events, programs, administration, etc.</p>
---	---

How does the Hospice plan to use Radium Hot Springs grant?

There were 11 active volunteers living in Radium in 2021 and they dedicated 645 hours to Radium Hot Springs and areas. BC Gaming has a based line of \$20 per hour for people that volunteer their time to a Non-profit organization. This means that volunteers contributed \$13,545 of their time to Hospice in various capacities such as, events (Tree of Lights, Hike for Hospice, Hospice Swims the Lake), Anticipatory grief, Bereavement and End-of-life training, Rainbows for Children, In-Services, board duties, office support, and clients’ support.

The Hospice Society will support to the residents of Radium Hot Springs and areas for the year 2022-2023 fiscal year by ensuring that continuous support is offered to those in need. The Hospice has had to adapt the way it did clients’ visits (end-of-life and bereavement one-on-one support) and bereavement groups during COVID using technologies and plans to continue to do so until it is safe to return to ‘normal’. We will keep providing Anticipatory Grief, End of Life and Bereavement Programs and give on-going training and support to volunteers using whatever method is safe for the community members.

Thank you for your continuous support over the years!

Area F	Total Aggregate between all local governments	\$47,500.00	Unknown
Area G	Total Aggregate between all local governments	\$47,500.00	Unknown

(d) **DETAILED GRANT INFORMATION:**

Describe how you plan to use the Village grant. (i.e., project or program):

This grant, if successful, will be used to help continue the crucial service of Victim Services for the Columbia Valley, including Radium Hot Springs. This program is operating out of the BC's RCMP and municipal police

departments. In these programs dedicated staff, sometimes supported by highly trained, security cleared volunteers from their community, work directly with police to provide emotional support, information, and referrals to victims of all kinds of crime and trauma. In addition, this program provides information on the role of the various players in the justice system, practicalities of testifying as a witness and updates on court appearances which means that victims are supported from beginning to the end of the process.

Victim Services provides critical incident stress management to victims at the location of the crime or crisis as early intervention can help to lessen the impact of crime or trauma.

Please see the attached report for more details on the program.

Additionally, as per the RCMP Victim Services 2020 Annual Report the program provided services to 235 people over the course of the fiscal year which does NOT include ongoing clients from previous years. Out of those 235 people 12% were from Radium Hot Springs.

Detail any other information you feel that Council should know in considering your grant application:

Family Dynamix has administered Columbia Valley Victim Services since the 1980s. For the past number of years, we have managed to deliver the program within the budget provided by the Ministry of Justice as the sole funder for this program. Now we are finding the increased need for services impossible to address, with this current funding model. The program has been experiencing a demand for services which exceeds the funding provided by the Ministry of Justice for direct service hours. One-time funding to address cost pressures with staffing, from the Ministry of Justice, afforded us, in the short term, the funds needed to increase the direct service hours to March 31, 2019. Since then, the demand for services exceeded the funding available to Family Dynamix to balance the budget. We were able to bridge the funding shortfall that existed in the 2020/2021 fiscal year budget through COVID funding received from the Canadian Womens Foundation and Womens Shelter Canada.

The Ministry of Justice currently funds the Victim Services program for the Columbia Valley annually with \$60,736.00. The contract with the Ministry stipulates that police-based victim service programs are cost shared 50/50 between the ministry and local governments where they exist in communities with a police strength of 4 or more.

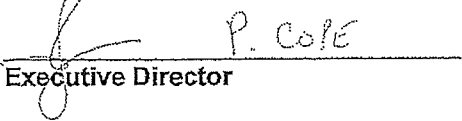

In that regard, contributions from our local governments for this service are a necessity to ensure the demand for these services are met in Radium Hot Springs and throughout the rest of the Valley. However, this process for funding is a short-term fix. A more sustainable and long-term strategy needs to be created to ensure the needs of victims of violence, crime and trauma continue to be addressed as the population in the community increases.

ATTACHEMENTS:

Most recent financial statements:

- | | | |

Executive Director

January 19, 2022
Clara Reinhardt, Mayor
Radium Hot Springs Village Office
PO Box 340
Radium Hot Springs, BC V0A 1M0

Dear Mayor Reinhardt

RE: 2022 Radium Hot Springs Public Library Grant-In-Aid Request

Please accept this grant request on behalf of the Radium Hot Springs Public Library (RHSP). Our library board understands that this has been another difficult year for taxpayers, and we do not want to increase the financial burden on our service population any more than necessary. As you will see in the rationale below, we have worked hard to develop a budget that reflects this; however, to keep up with unavoidable inflationary costs, we will be asking for a 2% increase to our annual operating grant.

The following is the rationale for our 2022 municipal grant request:

- In 2021, the Kootenay Library Federation completed a wage survey for all member libraries. This assessment broke down wage ranges based on the size of libraries within their catchment areas. After reviewing the survey, the Board determined the staff at the Radium Hot Springs Public Library were below the average wage in comparison to other libraries of similar size and population. To ensure equitable pay for our staff, the Board determined a slight increase in wages was necessary.
- COVID-19 forced us to reduce library open hours. We have been working to gradually increase those hours while remaining within our budget. In 2021 our open hours increased from 20 hours/week to 24 hours/week. This year, we plan to increase to 27 hours/week. We have configured our budget so that we can increase hours and offer our staff equitable wages.
- We are working to integrate volunteers back into the library; however, the pandemic brought to light the importance of paid staff to maintain consistent levels of service. As we navigate this everchanging landscape, we are working to develop sustainable opportunities for volunteers to contribute to library services.
- We are asking for an inflationary increase to account for the rising costs for our basic operational services. Although we have done our best to reduce costs

radium hot springs

PUBLIC LIBRARY

wherever possible, we have no control over inflation. Where we can, we will apply for relief assistance to cover any unforeseen expenses. The library staff and board have worked hard to develop a budget that keeps operating costs low, while maintaining our standard of service.

- The board and staff are excited to announce that the Friends of the Radium Library has officially been formed to increase fundraising efforts. The Friends are in the process of meeting regularly and formulating fundraising ideas. We are hopeful that in 2022, we will return to a somewhat normal year, and fundraising events can be held in line with COVID protocols.

We believe the Radium Library is central to the social infrastructure of the Village of Radium, and we are very proud to be a part of this growing community. We also feel that we provide necessary social infrastructure to our catchment areas throughout the Columbia Valley. The funding provided by the Village of Radium Hot Springs is vital to our organization and enables our Library to provide quality services to Columbia Valley residents.

On behalf of the RHSPL Board, I am submitting a grant request in the amount of \$72,604.63 from the Village of Radium Hot Springs for 2022. \$19,450 of this grant request would be in-kind. Thank you for the consideration of this request, and we look forward to our presentation in December. Please let me know if you require any additional information.

Sincerely,

Sandra-Lynn Eason, Board Chair
RHSPL Board

Re: Columbia Valley Community Foundation 2022 Vital Signs project

Dear Clara and Council

As Chair of the Columbia Valley Community Foundation, I would like to present this proposal to Mayor and Council for the Village of Radium Hot Springs.

The Columbia Valley Community Foundation is requesting \$1,000 from the Village of Radium Hot Springs. These funds will go towards the 2022 Vital Signs report that the Foundation is planning to complete in 2022.

The Columbia Valley Community Foundation is a charitable organization that provides leadership in cultivating a thriving community by connecting people, ideas and initiatives with inspired giving. In 2022 the Columbia Valley Community Foundation celebrated 20 years of sharing. Since inception the CVCF has granted over \$1.1 million in supporting over 300 community initiatives and 220 post secondary students in the Columbia Valley from Canal Flats to Spillimacheen. We are so grateful to the original founders and all donors over the years who have made this all possible.

The 2022 Vital Signs project will build on the success of the 2018 Vital Signs project that was completed by the Columbia Valley Community Foundation. Vital Signs is a community check-up measuring the vitality of our communities and significant trends related to quality of life in the Columbia Valley. The result is a Vital Signs report which provides a comprehensive look at how our community is faring. This project will include an extensive community survey that will gauge the communities' concerns and priorities on various areas of interest. The 2018 Vital Signs report and the 2019 On the Table report will serve as a baseline to compare how values and priorities have shifted over time. Based on priority areas identified by the community, research will be conducted using a variety of sources to determine how the Columbia Valley compares to regional, provincial and national census.

The 2022 Vital Signs report will provide valuable feedback to community leaders in what is important to residents and visitors to the Columbia Valley. Elected officials, non-profit groups and the business community will be able to use this report in guiding their decision making.

FOR GOOD. FOR COMMUNITY. FOR EVER.

P.O. Box 991 | Invermere, BC V0A 1K0 | Tel: 250-342-2845 | info@valleyfoundation.ca | valleyfoundation.ca
