July 13th Progress Update

July 13th 2026

Purpose and Agenda

1 Existing Design in the Community

2 Updated Renderings

3 Comments

Design Considerations

Key Considerations

1. Match existing community aesthetic
2. Have more dynamic design
3. Make design friendlier
 - a. Integrate colour further
4. Reduce perceptions of “motel-ness”

Design provided is a work in progress

- *Need to qualify design considerations against cost and constructability*
- *Final design to be delivered along with the Development Permit application*
